

Find out what spiritual gifts the Holy Spirit has given you to continue doing the same kinds of things Jesus did to serve others. It's not about you, so don't get all nervous about it. Just start to experiment by serving others and asking the Holy Spirit to do His thing through you.

Experiment for the following 3 things:

- 1. **COMPETENCE**—You'll be able to do it because the Holy Spirit gives you the ability to do it. If you find you can't do it, try something else. When the Holy Spirit gifts you with something, YOU CAN DO IT!
- 2. **JOY**—There's a buzz when you realize God is flowing through you to others. YES!
- 3. **SUCCESS**—It helps people. Remember, it's about God and serving others, not about you and what others might say about you. Spiritual gifts build up the Body of Christ.
