

A HEART TO FORGIVE

Instructions: What does the Bible say about how God forgives and what we can learn from it? Look up Scriptures this week and write one down in the heart. (*Here are some verses to get you started: Psalms 85:2, Colossians 1:13-14, 1 John 1:9, Ephesians 1:7, Colossians 3:13, 1 John 2:12.*)

Print and cut the heart art project and post it in your room to remind you to have a heart to forgive. Project can be folded into a card as well.
